Christmas Trees

Three lovely Christmas trees were delivered this week and are now decorated thanks to various children around the school. Don't forget Christmas jumper day on Friday the 16th! Please do not feel pressured to buy a jumper, you can be creative and decorate a regular jumper.

Kitchen

As already mentioned, the kitchen had an unannounced environmental health check this week. Once again they received 5 Stars for cleanliness, which is great for everyone!

CSA Christmas Message

The CSA have asked me to pass on this message. *After much deliberation, we have regrettably had to cancel the Christmas event we were planning for December. We do struggle with finding enough volunteers to plan and man CSA events, so can we ask that you all input in whichever ways you can, for all our children's benefit. We will now be focussing our efforts on events for 2017, which will include discos, quizzes, a massive summer fair and a few new events so watch this space for details. Ideas or offers of support gratefully received on melmackuk@gmail.com*

Extreme Haircuts

I have noticed that a number of shaved haircuts and styles have been seen on pupils recently. Please don't allow these for your children as they are not appropriate for school and not accepted by local secondary schools either.

Club Registers and changes to arrangements

This week **11** parents have contacted the school office with club queries and **14** have made alterations to pick up arrangements at short notice. We also had **21** requests to deliver various items to pupils that should have come to school with them in the morning. Each time this happens it means that staff must change our registers or walk around the school speaking to people to make sure that they know. Please help us by sticking to arrangements.

Kind regards
Jenny Sherry
