

Dear Parents and Carers

Holiday Clubs

An exciting new programme of activities for young people aged five to 15 is being developed by Watford Borough Council for the Easter and summer holidays. They want you to take part in their survey to help them decide what they should be – you can take part at www.watford.gov.uk/freeactivities. After the survey deadline on 31 January, they'll be rolling the activities out to locations across the borough from this year.

Golden Pupils

This week the following pupils were nominated in assembly, well done everyone!

Year 6- Lilli-Mae, Bryn, Lula, Kuran, Muhammed and Devan.

Year 5- Hibah, Shu'Ayb, Taha, Myuri, Michael and Mohammed.

Year 4- Stanley, Maryam, Rania, Tanusri, Hafsah and Isla.

Year 3- Hugo, Saffy, Rishi, Karma, Nikita and Sophie.

Mufti Day for NSPCC

Mrs Fowler, our Pastoral Manager, has been working with the NSPCC on support for the school. As part of this we are running a non-uniform day to raise funds. We have moved this to Friday 10th February. Mrs Fowler is encouraging the children, and staff, to 'go whacky' with our outfits. Apologies for any confusion over the dates.

School Council to Parliament

We look forward to hearing all about the School Council trip to the Houses of Parliament on Monday. They are the guests of Richard Harrington MP and are there to learn about the role of government and elected representatives.

Parking

Thank you for your help with our parking issues. Some of you bump up onto the pavement in your car but please be aware of young children on the pathway.

Year 6 Athletics

Miss Ferguson is embracing her role as the PE leader and organising many events. Good luck to Year 6 next week as they take part in the athletics events in Watford.

Supervising Children

If you are collecting your children from school or clubs, please supervise them as they are not supposed to climbing on equipment, running around the inside of the building or playing football on the field. Thank you.

Morning club

Challenge Sport and Education are now starting at an earlier time of 7.45am to accommodate working parents who need to get to work before 8am. Please contact them directly if you would like to book your child in to the club. Tel: 0844 693 2220 or email info@challengesporteducation.co.uk

Late pupils

If a child is late they must have an adult bring them in to school (using the correct pedestrian path) to enter their details on a computerised system. This is a requirement of the attendance officers. It is the duty of parents to explain why a child is late and not the child.

Pick up arrangements from clubs

Parents and Carers will receive new pick up arrangements by Friday 27th January for band practice and other after school clubs, to avoid entering the school office area.

Kind regards
Jenny Sherry
